DETAILED ACTION

This Office Action is in response to the Amendment filed on July 16, 2007. Applicant's cooperation in correcting the informalities in the Abstract is appreciated. Applicant's cooperation in amending the claims to overcome the claim objections relating to informalities is also appreciated.

Claims 1-4, 9-11, 14, and 17 were amended; and claims 5 and 12-13 were cancelled.

EXAMINER'S COMMENT

Applicants is/are required to submit a substitute Oath with the CORRECT STATEMENT set forth below:

"I acknowledge the duty to disclose information which is material to patentability of this application in accordance with Title 37, Code of Federal Regulations Section 1.56."

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: The prior art fails to disclose or renders obvious the claimed combination of a rotary positive displacement machine having a casing with a circular cylindrical internal surface delimiting an operating chamber; an orbiting piston in the operating chamber, a generatrix of the external surface being adjacent to the internal surface, and a diametrically opposite generatrix being spaced from the internal surface; a vane

member mounted on the casing, the vane member having a tip face which faces the external surface of the orbiting piston and which has a length substantially equal to that of the orbiting piston; and a linkage connecting the vane member to the orbiting piston, wherein at least one of the external and internal surfaces being provided with individual compliant strips which are distributed around the one surface, run parallel to one another, and project above the one surface, and including:

"the orbiting piston having a non-rotating outer part and a rotating inner part, and the distribution of the compliant strips the orbiting piston, from respective grooves in the one surface, being such that there is at least one of the compliant strips in contact with the other surface over the majority of the orbit of the orbiting piston."

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
